

Thank You

Appreciation for Financial Support Towards FIDIC GIC 2025

The 59th Council of the Association of Consulting Engineers of Zambia (ACEZ) and the Secretariat, would like to extend its sincere gratitude to the following Engineers for their generous financial contributions towards the conference and travel expenses for the Secretariat's participation in the FIDIC Global Infrastructure Conference (GIC) 2025, held in Cape Town.

The Council is pleased to note the General Membership's recognition of the value and importance of the Secretariat's attendance at such international conferences. Exposure to global best practices and the opportunity to network and engage with other Member Associations is vital to the continued growth and relevance of ACEZ on the international stage.

We are deeply thankful to the following individuals for their support:

Eng. Marijani Lungu
Eng. Mususeni Mumba
